

# Packing Tamper Kits

*Made from a strong and durable molded polymer.*

*Simplifies the job of repacking all types of rotating and reciprocating process equipment and valves.*

*Helps to "seat" each packing ring properly to maximize performance and service life.*

*Does not damage "delicate" packings, such as "graphites", during installation.*

*"So easy to use that all millwrights should have a set in their toolbox!"*

## EACH KIT CONSISTS OF:

- \* ONE "Small" ~ 7.5" x 2.25" x .30" (for 5/16" to 1/2" packing)
- \* ONE "Medium" ~ 10" x 3" x .45" (for 1/2" to 5/8" packing)
- \* ONE "Large" ~ 16" x 4" x .60" (for 5/8" & Larger packing)

Available from:

*New England*
